

2011 Outstanding Directors

Glen A. Barton

Retired Chairman and CEO, Caterpillar

Glen Barton was Chairman and CEO of Caterpillar from 1999 until his retirement in 2004. He joined the company in 1961, serving in many positions including EVP responsible for worldwide marketing, Group President and head of the machinery divisions, and Vice Chairman. Barton was formerly a global advisor to The Conference Board and a director of Inco, a Canadian mining company that has been acquired by Vale.

DIRECTOR: Newmont Mining, Valmont Industries
